

ENERGY ACADEMY PROGRAM

June 17 - July 28, 2023

Goals of Paid Internship

- **Work Experience:** Hands-on experience, with references for future employment and potential employment opportunities.
- **STEM Education:** Spark an interest to pursue further education or experience in science, technology, engineering and mathematics.
- **Career Building:** Providing critical opportunities for potential well-paying careers.

Ideal Candidates

- Recently-graduated high school seniors who may not be on a path to college
- 18 years old by the time the internship begins
- Valid California Driver's License by the time the program ends
- Computer literate
- Cautious, yet comfortable in industrial setting
