What are CIPA Solutions?

CIPA Solutions are a “bonus” opportunity for service and supply companies that sponsor the Annual Meeting at the \$5,000/Silver Star level or higher.

- Each opportunity will consist of a 5-minute live presentation on stage at the General Session on Saturday, June 9, 2018, highlighting the sponsor’s unique product, service, or value proposition.
- The presentation must include *exactly* 15 PowerPoint slides, which will be set to advance *automatically* every 20 seconds, for a total of 5 minutes.
- When the slide show ends, the speaker's time is up. No more talking; no Q&A.

There will be only THREE total CIPA Solutions presented at AM18.

To Participate: First Come, First Served

Service and supply companies must sponsor AM18 at the \$5,000/Silver Star level or higher and be one of the first *three* to select the "CIPA Solutions" option when registering.

- Your sponsorship must be PAID in full within 30 days to confirm your CIPA Solutions spot.
- Your company must be an Associate Member of CIPA in good standing at the time of the Annual Meeting.
- If your company participates in a CIPA Solutions opportunity, your presenter must still register and pay to attend AM18, as usual. Beyond that, there is no additional fee or cost to participate.
- You still get all of the other benefits that come with your level of sponsorship.
- When all three CIPA Solutions spots are taken, we will start a wait list in case a spot opens later.

If you get a CIPA Solutions spot:

Create your slides. Practice your presentation. Make it pithy. Make it FUN.

And email your FINAL PPT FILE with your 15 slides to Laura Wilkin by noon on FRIDAY, JUNE 1. You will NOT have an opportunity to make changes, corrections, or adjustments after this date.

We will have your file queued up, set to a timer, and ready for you to take the stage at the General Session on Saturday, June 9.
